Development Proposals

1. **Markwest Site Plan** – We reviewed the revised Site and Engineer's comments for the proposed natural gas De-Ethanizer facility (Addendum #13) and prepared suggested conditions for approval for consideration at the next Supervisors Meeting on May 15, 2012.
2. **Villas at Arden Mills PRD** – We have reviewed the updated PRD for Phases IV, V and VI for compliance with the Township Ordinance and prepared suggested conditions for approval for consideration at the next Supervisors Meeting on May 15, 2012. The updated PRD consists of reconfiguring the number/type of lots in this PRD.
3. **Piatt PRD Advisory Meeting** – The Planning Commission was presented with a Conceptual plan for a 137 lot PRD along Allison Hollow Road. We prepared a comment letter listing several for the Developers consideration.

Capital Improvement Projects

1. **Midland Sewer Project** – We are currently evaluating the utility data, preparing construction drawings, resolving utility conflicts, revising sewer profiles and preparing the required PaDOT Highway Occupancy Permit Application.

2. Midland Sewer R/W – We are plotting/assembling the property data, developing customer data base and preparing R/W Exhibits. A Townhall meeting will be scheduled to update the Township residents and acquire the required R/W's in June/July 2012.
3. PennVEST Financing – Congratulation on being awarded a \$2 Million Dollar low interest loan at the PennVEST meeting held on 4/25/2012. The Township should authorize the Manager to accept this offer and sign the required form.
4. Pittsburgh & Ohio Central Railroad – We are currently tracking down the privately owned sections of Railroad R/W with the assistance of the Solicitor.
5. Chartiers Township Community Center – We are preparing the Preliminary Site Plan, prepared preconstruction photos and coordinating with the Hayes Design.

On-Going Developer Projects

1. Chartiers Industrial Park Site Plan PH I/II – Construction started 8/15/11. PaDEP is requiring a Planning Module for the holding tanks. The project restarted on 3/22/2012. We are currently providing Construction Surveillance.
2. Summit PRD – Based on the 3/20/2012 approval of the revised PRD, we requested an updated phasing plan, bonding and Developers Agreement which we believe has expired. Roadway construction started 3/29/2012. We are providing Construction Surveillance. The roadway for this phase was completed on April 19, 2012.

On-Going Township Projects

1. 2011 Paving Project – We processed the Agreements and issued Notice-To-Proceed for both the El Grande and Youngblood Paving Contracts. We met with the Manager/Contractor to resolve some drainage issues. Paving Mix designs were reviewed/approved. El Grande started paving Adlin on 5/11/2012.
2. 2011 Demolition Project – The Contractor completed the filling, leveling and seeding the site. We performed a Final Inspection

on 4/18/2012 and recommended the Manager release the retainage.

3. 2012 Paving Project - We updated the cost estimate to include. We will prepare the plans/spec. upon finalizing the 2012 road list.
4. Allison Hollow Road Paving Project - We started laying out/quantifying the damaged areas in order to refine the original preliminary cost estimate.
5. 2012 Sewer Rehabilitation Project - We have begun compiling the necessary data to prepare the plans and spec. to put the next phase out for bid.

Solicitor – James Liekar
