1. Fred Simpson – Chartiers Fire Chief: Requests presented include increasing the stipend funding. Fred gave an overview of this program and how the point system works for firefighters. Currently the fund receives \$25,000.00.

He brought up the duty shift program and has suggested having a firefighter on shifts 7am-3pm and 3pm-11pm daily. No overnights would be necessary due to the stipulation of having sleeping quarters. Discussion took place on the operations of a duty shift program.

His last request is for a mini pumper. This would be a smaller truck that is more accessible for properties across small bridges, etc.. The larger tankers are unable to go across these types of bridges.

Discuss and questions took place on the items requested.

The budget meeting was adjourned at 7:15 pm.
