

**CHARTIERS TOWNSHIP SUPERVISORS
BUDGET WORKSHOP & OTHER BUSINESS**

**Tuesday
November 12, 2025
6:00 pm**

The Budget Workshop was called to order at 6 P.M. Tuesday, November 12, 2025.

ATTENDANCE:

Attending the workshop were Supervisors Harlan Shober, Bronwyn Kolovich, Frank Wise, Treasurer Judy Taylor, and Township Manager Jodi Noble. Also attending was Jamie Rozzo, Recording Secretary.

NEW BUSINESS:

The board had an in-depth conversation regarding the Townships budget and costs. Jodi does a great job at keeping our budget conservative. The top hardship the Township has been facing for the past five years, is the Host Fee from the Landfill has not rebounded since Covid. This fee has been a tremendous help in funding the costs for the Township in prior years.

The Townships expenses have risen while the revenue has been down. The board needs to decide on how to proceed for the 2026 budget.

An in-depth Conversation took place regarding Amusement Tax and a possible tax increase. After a long discussion the board made the tuff decision to raise taxes by 0.2 mills. This is a moderate increase to cover expenses.

The board has not raised taxes in approximately 32 years. In that time prices have changed dramatically. Even though this tough decision needed to happen it was not decided lightly. This was one of the reasons they decided to keep the increase low.

Meeting adjourned 7:40 pm
