6:05 pm**

The Budget Workshop was called to order at 6:05 P.M. Tuesday, October 28, 2025.

**ATTENDANCE:**

Attending the workshop were Supervisors Bronwyn Kolovich, Harlan Shober, and Frank Wise, Township Manager Jodi Noble, and Treasurer Judy Taylor. Also attending was Jamie Rozzo, Recording Secretary.

**NEW BUSINESS:**

Jodi went over the police Department requests for 2026. The board will review these requests and decide what the Township can approve for 2026.

Jodi went over the Fire Department requests. They are requesting an increase to their stipend. The board will discuss this increase.

An Engineering overview was given to the board on the savings the Township has received since hiring our Director of Engineering. Jen helps facilitate many moving parts in the Township and has been an asset to our Municipality. The Board discussed options and opportunities to maximize the value of her expertise for the Township. They will continue to explore these concepts.

The board and Jodi discussed the Road Program and the roadways that need repair for 2026. Our budget allows for \$425,000. Unfortunately, there are not enough funds to cover all the roadways that need repair, but the board and Township will discuss their options and the repairs that can be completed within budget.

Health Insurance costs have gone up significantly for renewal this year. Jodi went over some options with the board. The board agreed that joining the MBS Trust was the best savings and most akin option for the employees.

The budget meeting was adjourned at 7: 40 pm.
