Chartiers
Township

NEWSLETTER

Manager's Message

On behalf of the Chartiers Township Board of Supervisors, I hope you enjoy the fall 2018 edition of the Chartiers Township Newsletter. It has a lot of useful information and recreational opportunities for residents of all ages. We have a lot of wonderful events, classes and recreational opportunities this winter that are highlighted on the following pages. We'd also like to take a moment to remind you of some important safety issues.

Another summer has passed and as we gear up for the fall of 2018, I would like to first remind you of the importance of safety as a new school year starts. There are bus stops virtually all around the Township and we ask you to exercise the utmost caution when driving. However, bus stop safety is only one of traffic related concerns. We regularly receive complaints about speeding in our neighborhoods and drivers ignoring stop signs. PLEASE, be cautious when driving on our Township roads and obey all traffic control signs, including stop signs. A commitment to safety in our neighborhoods requires that everyone drive responsibly.

A Message From the Chief of Police

Another summer has passed and the doors of our schools are again open. I would remind everyone that passing a school bus when the red lights are flashing is a violation that carries a heavy fine and many points on your driver license. Is injuring a child worth the few minutes you may gain?

Snow will arrive soon enough and I would like to remind all of our NO Parking ordinance. It is a violation to park any vehicle on the roadway. If you have space in your driveway or alternate parking you must use that space. If you have no other space off the roadway then please contact the Department where permission for a short term situation can be granted or a permit issued. If you are having a gathering please contact our office so that the officers won't tag the cars. Public works does an outstanding job in clearing our streets so that we can pass on them safely, but the job gets extremely tough if vehicles are parked on the road.

If you plan on going away for the Holiday or any extended leave from your home anytime, please come to the station and pick up

As we move from fall into winter, we'd similarly like to remind residents not to throw snow onto the road as you clear your driveways. It not only creates a hazard to the traveling public, but it is against the law and it will only cause that snow you worked so very hard to remove to be plowed back into your driveway. To avoid all of these issues, always shovel snow to the RIGHT side of your driveway (past your driveway in the flow of traffic).

Finally on a more upbeat note, don't get cabin fever this winter. Check out one of the fitness or education classes at the Chartiers Township Community Center. Take a fitness class to keep your blood flowing and shed some pounds over the winter months. Consider an educational, art or craft class to pass the time in a productive way. You can always check out the Community Center calendar on the Township's Facebook page to see what classes may be of interest to you as the winter months approach.

Jodi Noble, Township Manager

one of our blue Vacation Home check forms which are located in the lobby. Please fill them out and slip it under the window. The officers during their shifts will check your residence each day during your leave.

Lastly I would remind all of you to PLEASE call 911 when you see something or hear something that raises the slightest concern. The Program "If you see something say something" keeps us all safe and makes a stronger community. Many believe that their concern isn't what they would deem an emergency and are afraid to use 911 and instead call our office. The Department isn't staffed all day or night and calls to our office may not be answered until the next day or so delaying our response or effort to investigate your concern. If you are conflicted as to when to call 911 to

(Continued on next page)

A Message from Our Fire Chief

On behalf of the Chartiers Twp. Fire Dept., I would like to thank the residents for your continued support. Please know that without you, we would not be able to do what we do. We strive to continuously improve both ourselves, and our equipment to support you the residents of Chartiers Twp. to the best of our abilities. If you think that you are interested in becoming a volunteer, please stop by the station. We are continuously looking for new members to grow the department as the township itself grows. Again, thank you for the continued years of endless support.

Chief Vince Altierie

**IF YOU WOULD LIKE TO RECEIVE REGULAR UPDATES
ON PARKS AND RECREATION PROGRAMS, EMAIL
PARKS@CHARTIERSTWP.COM TO BE ADDED TO THE LIST.**

A Message From the Chief of Police

(Continued from previous page)

report something or speak to an Officer, err on the side of caution and call 911 instead of our office number. You will NOT disrupt or prevent anyone from receiving assistance.

The Department again would like to thank each and every one of you for your continued support and wish all of you a very safe and happy holiday season.

Chief James Horvath

Burning in Chartiers Township

Any property owner in Chartiers Township may open burn on Wednesdays and Saturdays between the hours of Noon and 7:00p.m. (or sunset - whichever happens first). Outside of these days and times a burning permit is required. However, even with a burning permit, burning is restricted to Monday through Saturday between the hours of 9:00a.m. and 7:00p.m. (or sunset - whichever happens first). No burning is permitted on Sundays or holidays.

Under no circumstance should any fire contain garbage, flammable or combustible liquids, or any material made of or coated with rubber, plastic, or petroleum based materials. Open burning should be contained and located at least 25 feet away from all property lines.

The open burning regulations outlined in the Chartiers Township Code do not limit grilling or recreational fires for picnics and backyard barbeques. Recreational fires should be contained, and these fires should be easily extinguished.

Applications for a burning permit can be obtained through the Chartiers Township Planning Department. Any questions about the burning regulations can be directed to the Chartiers Township Zoning Officer or Township Manager. All residents and property owners are encouraged to review Chapter 122 (Burning, Outdoor) of the Chartiers Township Code for additional information on burning in the Township.

Where: Washington Mall Parking lot (across from Toys R US) - NEW LOCATION

Time: Call for hours on collection day only (724) 250-4839

The Township has scheduled curbside Fall Leaf Collection for the following MONDAYS:

October 22nd – October 29th – November 5th – November 12th – November 26th (if necessary)

Please remember that the leaves **MUST** be in biodegradable bags! Non-biodegradable material in the bags will prevent the Township from being able to recycle the leaves through the composting site, so **PLEASE** make sure your bags contain leaves only. Also, never tape your bags shut!

Try to have your bags to the curb by the preceding Sunday evening to make sure they are out in time for Monday morning's collection. Contact the Township with any questions or post them as comment because others may have the same questions. **THANK YOU** for your cooperation in helping to make this program a success!

A Fond Farewell

As of October 1, 2018, I will be stepping down as Supervisor of Chartiers Township. It has been my pleasure to serve the Township in this capacity. My appreciation goes to my fellow Supervisors, Township staff, and most importantly, you, the residents of Chartiers Township. It has definitely been my privilege and honor to serve you! Thank you!

Glenn Alterio, Township Supervisor

SWIFT REACH 911

Please sign up for our Swift Reach 911 emergency notification system for your home and cell phone numbers. This will notify you of important things happening in the township like road closures, special events, and emergencies.
