Over 200,000	\$2,510.00 + \$65 per 10,000 CU/YDS

3. Single page application – One (1) signed original
4. Plan sets – Two (2) sets folded
5. Reports – Two (2) copies of all reports
6. If the applicant is not the property owner, property owner consent must be provided
7. Proof of permits from all relevant county, state, and federal agencies. At the time of application, the applicant may provide copies of county/state/federal applications or provide in writing their intent to apply for all required permits.

Review Process and Timeline: An application submitted to the Chartiers Township Planning Department shall be reviewed and approved/denied within twenty (20) days. The subject application will be reviewed by the Zoning Officer and Township Engineer. The Zoning Officer and Township Engineer may request additional materials, and/or clarifications and revisions to previously submitted plans and documents. Conditional approval may be granted by the Zoning Officer subject to the applicant complying with the conditions of approval.

Project Inspections: The applicant is responsible for notifying the Zoning Officer and the Township designated inspectors prior to commencing any grading/excavation work. The grading/excavation project is subject to periodic site inspections, at a cost to the applicant, to verify compliance with the Chartiers Township Code of Ordinances.

Questions or comments may be directed to planning@chartierstownship.com or by calling 724.745.3415.
