MESSAGE FROM THE MANAGER:

On behalf of the Chartiers Township Board of Supervisors and Staff we hope you enjoy the Fall 2025 edition of the Chartiers Township Newsletter. It is worth noting that our newsletter won first place in the Pennsylvania Association of Township Officials Annual Communications contest for the Most Improved Newsletter last year! While we are ecstatic about the honor, we are just happy that our Newsletter is proving to be a helpful communication tool to let our residents know what is going on in the Township. To that end, we are excited about the addition of four new Pickleball Courts to Arnold Park. We are additionally developing some overflow parking with the School District for not only the park, but the Community Center and the School. We continue to work on Phase I of the Arnold Park Expansion, which includes completion of the ballfield, a parking lot and a walking trail. Speeding is the number one complaint that we receive from every neighborhood, so PLEASE slow down and be safe! As we close in on the winter months we remind residents that there is no on-street parking in Chartiers Township. Please keep the roads clear of vehicles and items such as basketball hoops and soccer nets so that the Public Works Department can effectively clean the roads for everyone's safe travel. Thank you and please remember to like our Facebook Page and visit our website to keep up to date with what is going on in the Township.

FALL LEAF COLLECTION

The township has scheduled curbside leaf collection for the below Mondays (& one Tuesday due to a holiday). Please remember, all bags must have contents that are 100% biodegradable. Non-biodegradable material in the bags will prevent the township from being able to recycle the leaves through the composting site. Please contact the Township Office with any questions. **THANK YOU for your cooperation and helping to make this program a great success!**

COLLECTION DATES:

11/3
11/10
11/17
11/24
12/1

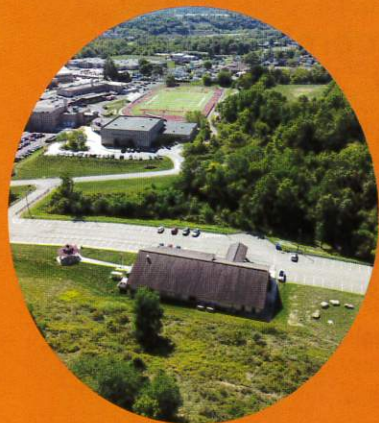

(IF NECESSARY)

✓ DO'S

- Use biodegradable bags
- Make sure your bags contain LEAVES ONLY
- Put your bags on the curb the night before

✗ DON'TS

- Do NOT include non-biodegradable material anywhere in the bag
- NEVER tape your bags shut

Clear Streets, Clean Streams: A Fall Reminder

As the leaves begin to fall, please remember that what we do in our yards can impact our entire community. Leaves and other yard debris should never be swept or blown into storm drains, inlets, or streams. When this happens, drains can clog, increasing the risk of neighborhood flooding, and decomposing leaves in streams can harm water quality and aquatic life.

Residents are encouraged to collect and bag leaves for curbside pickup from your hauler, compost them at home, or take advantage of township leaf collection services. By managing leaves responsibly, we can all help keep our neighborhoods safe, our waterways healthy, and our community beautiful.

One of the biggest changes in 2025 was the way Chartiers Township handles recycling. Historically, the Township contracted recycling services for residents, but over time, the cost of doing so became increasingly prohibitive. In 2023 alone, recycling expenses totaled more than \$180,000 for taxpayers. In our ongoing effort to provide more efficient and cost-effective services, the Township purchased its own recycling truck and began self-performing recycling collection in January 2025.

Recycling is now collected during the second full week of each month, corresponding with the week in which the second Monday falls.

A MESSAGE FROM THE CHIEF OF POLICE:

Welcome to our new residents and businesses, and a big hello to everyone who makes our community special! We are a 24/7 police department and are here to assist you. For complaints or concerns, please call 911—this is the fastest way to reach an officer.

This year, our officers began using body cameras, which work alongside our in-car video systems for investigations and training. You may also notice our patrol vehicles are getting a fresh look. Officer Brittan Laird completed his probation year, and Officer Jeff Toth joined the team in May.

As the fall and winter seasons approach, remember that parking on roadways is not permitted unless you have a driveway. This ensures clear roads for traffic, emergency vehicles, and snow removal. For short-term parking needs during events, contact the township office.

Our department continues to provide programs like DARE, vacation checks, drug take-back events, and community presentations. Make sure your house numbers are visible for emergency responders and sign up for RAVE ALERT on the township website to receive important notifications.

Thank you for your continued support—through kind words, treats, and encouragement. We wish you and your family a safe and joyful holiday season!

Best,

Chief Steve Horvath

PAUL MILLER'S LAW

Pennsylvania's Distracted Driving Law
Effective June 5, 2025

The law is named for Paul Miller, Jr., who was tragically killed in a crash with a tractor trailer in 2010 in Monroe County, as the result of a distracted driver who reached for their phone while driving. Since his death, Paul's mother Eileen Miller has become a national advocate for stronger laws to curb distracted driving.

"Paul Miller's Law" - prohibits the use of hand-held devices while driving, even while stopped temporarily due to traffic, a red light, or other momentary delay.

Under Paul Miller's Law, drivers can still use their phones if they are using hands-free technology, to make phone calls, use a GPS, and listen to music or if the driver moves the vehicle to the side of or off a highway and halts in a location where the vehicle can safely remain stationary.

Under Paul Miller's Law, drivers can still use their phones to alert emergency responders (9-1-1 or *11 on the Pennsylvania Turnpike)

Beginning June 5, 2025, law enforcement will issue written warnings for violations of the law. Law enforcement will issue summary citations (fines, plus court costs) to violators beginning June 6, 2026.

If a driver is convicted of homicide by vehicle and driving while distracted, they may be sentenced up to an additional five years in prison.

CHARTIERS TOWNSHIP PUBLIC WORKS

The Chartiers Township Public Works Department is dedicated to maintaining our community's infrastructure and services. With just seven employees, the department handles maintenance for:

- 57 miles of roads
- 205,300 feet of stormwater pipes and thousands of inlets
- 197,200 feet of public sewer lines
- Parks, the municipal complex, and the Community Center

They also collaborate with Parks & Recreation, Code Enforcement, and the Police Department to enhance residents' quality of life.

Works**

Driveway Snow Removal Quick Tip:

It's nearly impossible to prevent plowed snow from accumulating in your driveway, but to help minimize it, shovel snow to the right of your driveway to reduce the amount redirected by passing plow trucks. Clearing an area to the left of your driveway can further reduce snow buildup.

SNOW REMOVAL GUIDELINES

Snow routes are prioritized as follows for emergency, safety, and traffic reasons:

- School bus routes, hills, and curves
- Collector and arterial roads
- Residential streets and alleys (These are the last to be plowed.)

Please remember that PennDOT is responsible for clearing state roads within the Township.

Important Reminders:

- Do not shovel snow into the street or sidewalk. This creates a safety hazard and may result in fines. Additionally, avoid piling snow in front of fire hydrants.
- Snow and ice must be removed from sidewalks within 12 hours after snowfall, sleet, or freezing rain ends.
- On-street parking is prohibited in Chartiers Township, especially during snow events, to allow for road clearing. Please also remove any moveable items from the roadway before a snow event, such as trash cans, recycling bins, portable basketball hoops, backstops, and soccer nets.

A MESSAGE FROM THE FIRE CHIEF:

Dear Residents of Chartiers Township,

It is both an honor and a privilege to introduce myself as your newly elected Fire Chief of the Chartiers Township Volunteer Fire Department. My name is Rob Fetty, and I have proudly served this department and our community for the past 32 years. Throughout that time, I have had the opportunity to work alongside dedicated men and women who share the same commitment: protecting lives and property, serving our neighbors, and strengthening the safety of our township.

As I step into this new role, my vision is rooted in three key priorities: safety, service, and community. I am excited to lead this department into the future while honoring the traditions and values that have guided us for decades. Together, we can continue to strengthen the bond between our fire department and the people we proudly serve. I would also like to thank Fred Simpson for his leadership, mentorship and service to our Fire Department as Fire Chief for the past five years. His knowledge and dedication have been truly valued. On behalf of the entire Chartiers Township Volunteer Fire Department, I thank you for your continued support and look forward to serving you as your Fire Chief.

With gratitude and respect,

**Rob Fetty

2026 PAVILION RENTALS – SAVE THE DATE

2026 pavilion rentals at Arnold Park & Allison Parkette will begin on **Monday January 5th, 2026** for residents and January 12th for non-residents. Pavilions can be rented in person at the Community Center office or online at www.chartiersparks.com.

Chartiers Township offers two pavilions available for rent — perfect for graduation parties, birthday celebrations, church picnics, and more! Pavilion rentals provide exclusive use of the pavilion, while the rest of the park remains open to the public. Both locations include electric outlets, and parks are open down to dusk. Please note that alcohol is prohibited in all township parks.

Arnold Pavilion – Located in Arnold Park along W. Pike Street, this park features a playground, 4 pickleball courts, restrooms, and a spacious grass area.

Allison Pavilion – Located in Allison Park on McGovern Road, this park offers a new playground (installed in Fall 2024), restrooms, a large grass area, and a cement basketball court.

NEW FOR 2025: ARNOLD PARK PICKLEBALL COURTS

LEARN TO PLAY PICKLEBALL CLASS

Curious about pickleball? Join us for this fun and easy introduction to one of the fastest-growing sports in the country! This class covers the basics of the game, including rules, scoring, serving, and court positioning — plus plenty of guided play time to help you build confidence on the court.

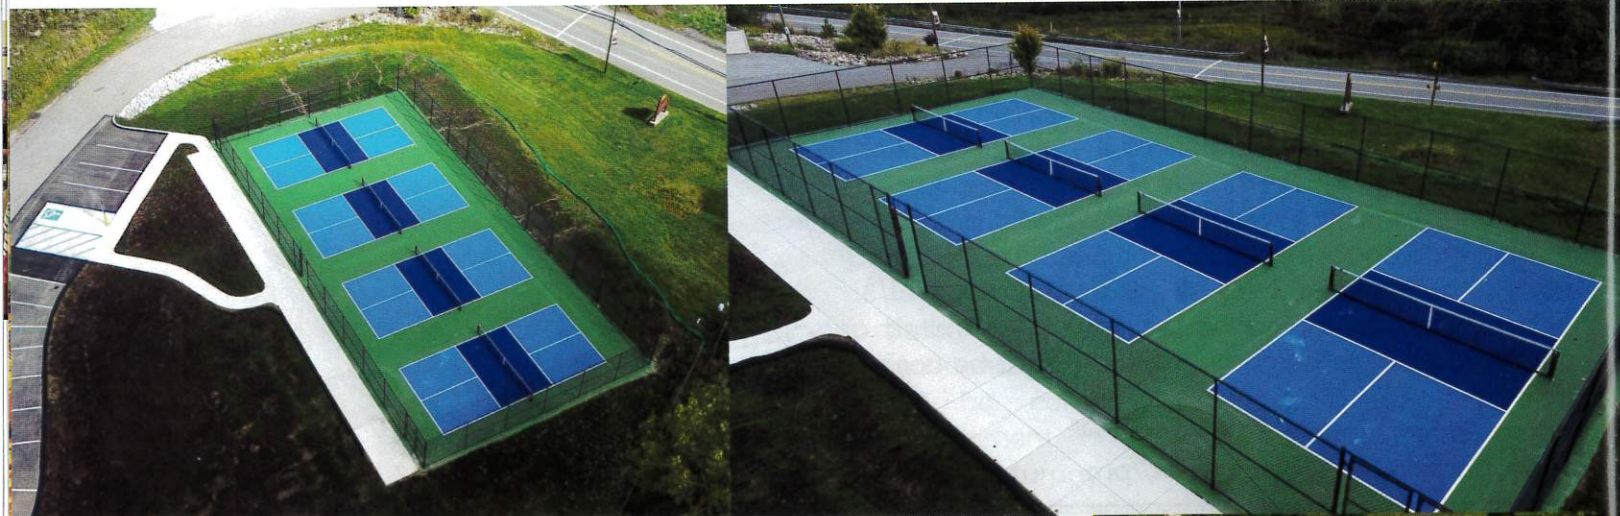

No experience necessary — just bring comfortable shoes and a willingness to learn! Paddles and balls will be provided.

When: Sunday, October 26th

Cost: \$15 due upon registration

Signup: www.chartiersparks.com

Exciting news for our pickleball fans! In September 2025, we finished adding four new pickleball courts at Arnold Park. Along with the courts, we also renovated and re-lined the parking lot, giving the whole area a nice refresh. Pickleball continues to grow in popularity, and we're thrilled to bring this fast-paced, community-friendly sport to our residents.

We'd also love to hear from you! As we plan our 2026 recreation schedule, we're looking for input from residents on what kinds of pickleball programs and activities you'd like to see offered. Whether it's beginner lessons, tournaments, or social play, your feedback helps us shape the year ahead.

☛ Share your ideas with us at parks@chartierstwp.com or give us a call at 724-485-2126 — we'd love to hear from you!
