Our day begins in Coshocton, Ohio with a private 45-minute horse-drawn canal boat ride along a restored section of the Ohio & Erie Canal. Pulled by the beloved draft horse teams Tim and Diesel, the Monticello III glides one mile down the canal while a lively captain shares stories, history, and tall tales from 1800s canal life. You'll truly feel transported back to the 1830s—and you may even get the chance to help steer the boat!

Next, we'll head to nearby Historic Roscoe Village for a sit-down lunch, followed by time to explore this charming 19th-century canal town. Highlights of your visit may include:

- Roscoe Village Visitor Center with exhibits, video presentation, and artisan shop
- Village Smithy (seasonal) featuring blacksmith demonstrations
- Hay Activity Center highlighting historic trades
- Dr. Maro Johnson's Office & Home, showcasing canal-era medicine and life
- Craftsman House, Roscoe's oldest building with period furnishings
- Roscoe School, a one-room schoolhouse experience
